NAME (OPTIONAL): _____

Parents - please complete the survey along with your child and please keep in mind that our coaches put in hundreds of hours year round to this endeavor and are totally dedicated to our program. Our coaches make an extreme commitment which affects their time spent at their occupations and they also pay hundreds of dollars out of pocket for various hidden expenses during the year. They build self-confidence, values, & character in the children in the Flames program, in which they take great pride. This feedback is critical to the Flames, as it helps us to assemble coaching staffs for next year.
